Alcohol Substance Abuse Program

Ysleta del Sur Pueblo

WE LEND A HELPING HAND

PROGRAM OBJECTIVE:

This program exists to provide community based services for the Ysleta del Sur Pueblo. Services include:

- drug prevention/intervention
- drug education
- outreach
- referrals
- rehabilitation
- aftercare

METHODOLOGY OF PROVIDING SERVICES

1. Direct Services(Outreach Education and Counseling Services)
   a. Crisis Intervention
   b. Home Visits
   c. Coordination with At-Risk-Counselors in the schools as requested by school officials.
   d. Coordination with parole and probation officers to assure continuity of care.
   e. Community-wide educational presentations pertaining to substance abuse.
   f. Substance abuse profile screening, provided as a service to tribal departments.
   g. One on one or family counseling sessions.
   h. Group Process
   i. Peer Groups
   j. Socialization groups including recreation and cultural enhancement.

2. Indirect Services(Referral)
   a. Placement in residential treatment (as needed).
   b. Placement in residential setting as a part of aftercare planning (as needed).
   c. Referral to other tribal departments for services needed.
   d. Referral to outside agencies for services as needed (including additional counseling support).
