# Recycle Your Cut Christmas Tree

- The Environmental Management Office (EMO) in coordination with the Housing Department and the City of El Paso Environmental Services Department will be providing community members with the opportunity to recycle their cut Christmas trees.
- The self help collection event will be Tuesday January 6, 2014 through Friday January 10, 2014. There will be two collection sites . In Corn Village a trailer will be in the parking area across from Tuy Pathu Daycare. In the Pumpkin Village residents may drop off their trees at 698 Pablo Silvas which is an empty lot at the corner of Pablo Silvas and Santos Sanchez. Both sites are shown below. Please bring your cut Christmas trees with all lights, ornaments and decorations removed from tree before dropping off. We will also offer a curbside pickup on Saturday January 11, 2014 beginning at 8 a.m. ; trees must be in front yard unless assistance is needed.
- Any Elders or Community members in need of assistance please call the Environmental Office at 915-859-7913 so that arrangements can be made.
