Dr. John Hilliard

Tribal Community,

It is with deep sorrow that we inform you of Dr. Hilliard's passing over the weekend. We extend our condolences to his family and to the staff at Tribal Health and Human Services.

Dr. Hilliard's tenure with the Pueblo spanned over 15 years where he served our community as the Community Health Center Optometrist. His kindred spirit and jovial nature will be greatly missed.

At this time we ask that you keep the Hilliard family in your thoughts and prayers.
