

Community Writing/Photography Contest

Calling all Pueblo writers and photographers! Your chance has come to shine! The Environmental Management Office is holding a community creative writing/photography contest in honor of the “Ki Nam Ka’i We’i” (This Is Our Mother Earth) Earth Week celebration. We are challenging community members of all ages to an Earth Day themed creative writing or photography contest. Submissions can include what Earth Day means to you, ways to reduce, reuse, and recycle, creative ways to protect the environment, or describe something that is not environmentally friendly and give a solution for how you can better it. All submissions must be turned in by Friday, April 26th by 4:45pm at the Administration building. We look forward to seeing your creative work! Hurkhem!

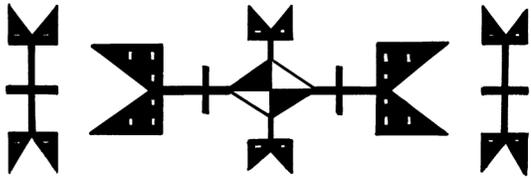

Should you have any questions please feel free to contact Ivonne Mata.

This Old Earth
(sung to the tune of This Old Man)

This old Earth needs our help
To stay fresh and clean and green
With a pick it up, pitch it in, and
Throw it in the can - this old
Earth needs a helping hand!
