

ATTENTION ALL RESIDENTS

The Housing Department Wishes You and Your Family a Happy and Safe
4th of July Holiday

Please comply with the following rules as established by the Tribal Council for everyone's safety.

1. As always, there are no fireworks of any kind permitted in District 1.
2. **Non- airborne** fireworks may be used in District 2 (back yards only). No fireworks in front yards or streets.
3. All residents are required to clean up their fireworks residue after the fun is over.
4. Everyone wishing to shoot airborne fireworks must use the fireworks park next to the Socorro Smoke Shop.
5. Please ask at the Smoke Shop if you have questions about the park rules.
6. All residents are reminded that we are in extreme drought conditions in our area and to use fireworks responsibly. Put out all fires immediately which are started by fireworks.

The Socorro Smoke Shop has a huge display of fireworks available for tribal residents and the public to purchase.

Again, have a fun filled and safe 4th of July Holiday.
