

OSHA SAFETY TRAINING

February 3rd - 5th, 2015

Economic Development will be hosting a Training Specifically designed for Roadway Construction.

This is a revolutionary program for owners, safety managers, supervisors, and workers.

Using real scenarios and case studies, senior safety and project management executives from some of the nation's leading firms explain how to trouble-shoot site and project safety challenges.

Training is sponsored by the Tigua Business Center and

Training will take place at the Tribal Judicial Facility
9241 Socorro Rd. El Paso, TX 79907
Training scheduled from 8:30 am to 5 pm
