Dear Tribal Community,

The Department of Tribal Empowerment is committed to excellence in providing the community with educational services. To help us achieve this goal, we reach out to leaders in education and business, to community leaders, to parents, and to students in our community by asking them to work with us in an advisory capacity to improve our programs.

If you are a person who is interested in joining the Department of Tribal Empowerment's Governance and one who would make a valuable contribution to the program, we invite you to serve on one or more educational advisory committees. By participating in these committees, you will have an opportunity to guide the Department of Tribal Empowerment in preparing students for their next steps and to promote and improve Native American students' education achievement.

The advisory committees will meet three times throughout the year. The first meeting will be on April 23rd at the Tiwahun Complex, 11200-B Santos Sanchez, Ysleta del Sur Pueblo, TX 79927. The Governance begins with a dinner provided at 5:30 PM with the committee breakout sessions commencing at 6:00 PM and ending at 8:00 PM. In addition, special meetings and calls to committee members are made on occasion and as the need arises.

As the Department of Tribal Empowerment offers a wide range of services for all community members, please complete the attached form to confirm your interest on serving on a committee. Serving as a committee members suffices the Parent Engagement component requirement for various programs within the Department.

If you have additional questions, please call the office at 872-8648.

Sincerely,

Anna Silvas
Tribal Empowerment Director
